

# Sanden Vs. A Copy

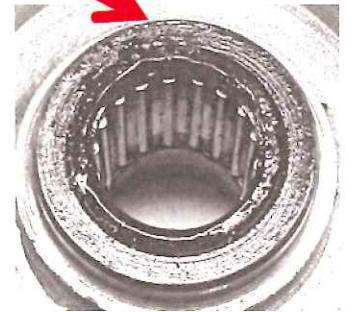

*They may look the same, but that is all.*

## What's inside is what counts

Sanden after 900 hrs of testing

Copy after 200 hrs of testing

No  
**Damage**  
to any parts.

**Damage**  
to bearings  
and main  
shaft.

## Sanden

*The Original Heavy Duty Compressor*

Reliability

Durability

Dependability
